

April 2018

Dear Families,

The PTA meeting on **Monday, April 16, 2018** will be showcasing a **Starlab** presentation for students who are interested in attending.

The **Starlab** dome is a portable planetarium that allows for students to experience different forms of the night sky. Mrs. Alexandra Brady, a teacher at C.E.W., will be running the presentation that will focus on a Native American folktale related to the night sky.

The children be participating in this activity in the IC multipurpose room while parents attend the PTA meeting in the IC cafeteria.

In support of the Shared Decision Making Team's promotion of cultural diversity throughout the year, we would love for your child(ren) to participate in this activity.

**Please detach the bottom portion of this letter and send it to your child's teacher in an envelope labeled "PTA MEETING" by Thursday, April 12, 2018.**
