## ATTENTION PARENTS:

Do you want an activity that will develop your child's social skills? Children who participate in our **ECBBA** classes will have a positive interaction with children their own age.

**PARENTS:** Do you want an activity that will develop discipline? **ECBBA** encourages your child to practice good behavior skills and set a good example for others.

**PARENTS:** Do you want an activity that will help develop your child's basic motor skills? Our classes build coordination, balance, control and fitness.

**PARENTS:** Would you like to increase your child's attention span? The first skill we teach in our **ECBBA** program is FOCUS.

**PARENTS:** Do you want a program that will build your child's confidence? Our classes are fun and easy to follow.

**PARENTS:** Do you want role models who will reinforce family values? **ECBBA** instructors discuss positive lessons and life-saving skills during class.

**PARENTS:** Do you want your child to learn to set goals? Goal setting is our focus!

**PARENTS:** Do you want your child to have a positive attitude? Our **ECBBA** curriculum is developed to improve your child's skill in every class with visible improvement.

**PARENTS:** Do you want an activity that will help prepare your child for school? We teach the life skills to help them succeed!
