

Four days a week and Distance Learning

January 25th - Kindergarten and 2nd grade will return for in person learning four days a week

February 1st – 1st, 3rd, and 4th grade will return for in person learning four days a week

- The two options will be 4 days a week instruction or full remote learning. There will no longer be a 2 day a week option.
 - 4 days = Monday, Tuesday, Thursday, and Friday (Wednesdays will remain as a full remote day for all but a few classes).
- If you are currently enrolled in in person instruction, you don't have to do anything. Just begin to come 4 days a week according to the dates specified above. Transportation will begin to come to your home on those dates.
- If you are currently enrolled in full remote learning, please fill out the district survey by 1/15/21 that is located on the district website.
 - Full distance learners should select that they will remain full distance or would now like to come 4 days a week.
